i-Ready

Here's how you can help:

1

Watch this [video](#)

to familiarize yourself with the Diagnostic and how to best support your child.

2

Get organized

by finding a quiet space for your student to take the test and confirming your technology is working properly.

3

Motivate your child

by explaining how doing their best will help their teachers know how to teach them better.

4

Support, but DO NOT help

by encouraging your child to stay focused and try their best and NOT helping them with the answers.

5

Celebrate your child's effort

once you have confirmed they have completed the assessment.

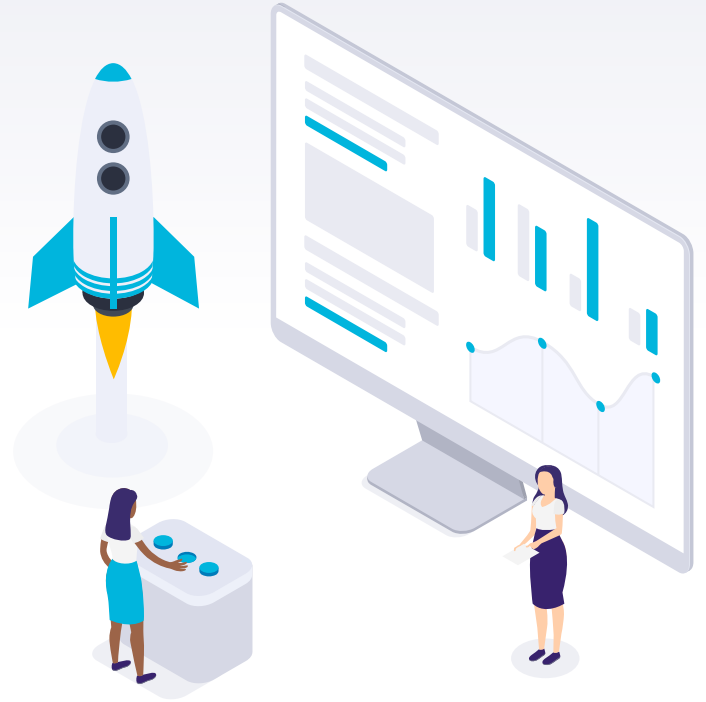

Student takes diagnostic

Student is assigned a path that has lessons based on their level

Student begins working on their path with teacher monitoring and guidance
