"Committed to academic excellence and the education of the whole child"

OUR MISSION FOR EVERY CHILD

The mission of Odyssey Charter School is to work in partnership with the family and community, with the aim of helping each child reach their full potential in all areas of life.

We seek to educate the whole child with the understanding that each person much achieve a balance of intellectual, emotional, physical, spiritual and social skills as a foundation for life.

ODYSSEY ISLAND

Odyssey students and families partnered with Anglers for Conservation to volunteer this past month at the Palm Bay Lagoon House, helping to beautify our local educational treasure. We planted native trees and vegetation, pulled tons of weeds, trimmed, mulched and officially adopted a roadside portion of the property, now heralded as Odyssey Island. As you may know, The Lagoon House serves as both a welcome center for the Indian River Lagoon National Scenic Byway and an environmental learning center. Through exhibits, the lagoon house describes the history and importance of North America's most diverse estuary.

Please join us in helping maintain the enviroscape of the Lagoon House and "Odyssey Island" by volunteering to help on January 21, 2012. We are also seeking sponsorship of an outdoor sign to hang below the Lagoon House name proclaiming "Odyssey Island". Please contact Jane Martin at drjanemartin@bellsouth.net if you are able to help.

ELECTRONIC DEVICES AND CELL PHONES

We have noticed an increase in cell phones and other electronic devices at school and would like to remind our families of our policies. Cell phones/electronic devices can be distracting/ disruptive during the school day when our students need to focus on learning. With a signed student/parent cell phone contract, students are permitted to have cell phones in their possession but they must be turned off and stowed away while on school property, including the school bus. Other electronic devices can be disruptive in the school setting and are not permitted on school property.

A person who discovers a student in possession of or using a cell phone in violation of this policy is required to report the violation to the building principal. Students are personally and solely responsible for the care and security of their cell phones. Odyssey assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Please refer to the Brevard County 2011-2012 Elementary or Secondary Code of Conduct available via link on our website - www.odysseycharterschool.com. Thank you for supporting your child's education.

Thank you for your support and remember to save the day: November 30, 2011 at 6:00 PM. Please RSVP to 321-733-0442 ext. 524 if you plan on bringing a dish so we can plan accordingly. Be sure to include the title of your dish and a list of its ingredients.

JUMP ROPE FOR HEART

The American Heart Association (AHA) is an organization that teaches children and adults to take care of their hearts. They also fund research to discover the causes of and find cures/treatments for many of the illnesses, defects, and diseases of the heart, as well as what we can do to prevent them. Every year, OCS participates in Jump Rope for Heart. It is a fun event for our K-5 students that help them learn about heart health, the importance of exercising and making healthy choices and at the same time raises money for the AHA. This year, Jump Rope for Heart was held on Friday, October 28th.

Congratulations to all K-5 students that participated in the event and that helped raise money for the AHA. Our students raised a total of \$1,835.00, exceeding last year's total by over one thousand dollars!! Thank you to all the parents, family members, and friends who supported our students in this endeavor. It means a lot to the school and to our students, but it means even more to the families that we help out by contributing to this important research. We would like to give a special thank you to Jonathan Raiman (Miss Jankovic's morning group) who raised \$525.00 dollars for the American Heart Association. Well done everyone!

4TH GRADE WAX MUSEUM PARENT NIGHT IS A HUGE SUCCESS!

On Thursday, November 3, our 4th grade students presented the Wax Museum, an annual event at Odyssey Charter School. Students research a person of historical importance and dress in costume while presenting a short biography for visitors as they pass through our main hallway. During our November 4 parent night, 4th graders presented the Wax Museum and collected money for their annual Saint Augustine field trip. The students raised a total of \$781.20.

We would like to extend a warm thank you to all the families who donated the students for their participation and the teachers for helping our children learn about important figures in history.

BOOK FAIR

We invite you to our scholastic book fair coming November 28 through December 2, 2011. This book fair is really special because it is our BOGO-- Buy One and Get One free sale. Giving kids access to good books and the opportunity to choose their own books will motivate them to read more. And like most acquired skills, the more kids practice reading, the better they'll get. Now that we are close to the holidays, this is an excellent opportunity to buy gifts for reading. We will be open all week during school hours. We invite students and parents to come in and "check us out!"
