

Odyssey Charter School Admission Policies and Procedures

Odyssey Charter School is open to all Kindergarten through 8th grade students in Brevard County. Odyssey accepts students on a first come, first served basis, unless the number of applications exceeds the number of seats available in any class.

Returning students, siblings of returning students, employee's children, and board member's children receive enrollment preference.

Odyssey accepts student applications for the upcoming school year beginning January 1st. After priority admission, if the number of applicants remaining is less than the number of seats available for any individual class, all applicants are admitted. If the number of applicants exceeds the number of seats available, the remaining applicants are placed in a lottery for each class, and students are admitted as they are drawn from the lottery until each class is filled. A lottery is conducted on February 15th.

The remaining applicants that were not admitted through the lottery process are placed on a waiting list in the order drawn from the lottery. Students who apply after the deadline will be placed on the waiting list after the lottery applicants on a first come, first served basis.

Parents are notified in writing during the month of March of their acceptance and must attend a school orientation. Parents who have been accepted must register their child(ren) during registration week in July.

Application Process

- ◆ Applications may be obtained at the office or on the school's website at www.odysseycharterschool.com. Applications may be submitted to the front office at Odyssey. Upon submission, all applications will be screened for completeness.

Sibling Preference

- ◆ Siblings residing in the same household will be offered admission without going through the lottery process provided their applications are received and accepted by February 15th and space is available for the appropriate grade level.
